OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Circular No. 28/T.M., dated 31st March 1952.

To

All Heads of Departments and other Disbursing Officers.

Sir,

Subject:—Procedure for drawing personal advances sanctioned to Non-Gazetted Government servants.

At present Non-Gazetted Officers are drawing personal advances (House building advances, Motor vehicle advances, Bicycle advances, Provident fund advances, etc.), sanctioned to them on bills countersigned by their superior officers and such amounts do not enter the cash books of the Disbursing Officers. This procedure is not correct. Payments to Non-Gazetted Officers should always be made through the disbursing officers who usually draw their pay and allowances, and the amounts should be taken to their cash books. This procedure should be followed with immediate effect. Bills for advances relating to Non-Gazetted Officers should in future accordingly be drawn by the Heads of Offices authorised to draw the bills for pay and allowances. The treasuries will not honour bills drawn by the Officers themselves.
